Pretty soon, everybody got one

And the fever when I'm beside her

Desire, Desire

Burning, Burning

She's the dollars
She's my protection
She's the promise
In the year of election

Sister, I can't let you go

Desire...

Lover I'm off the streets
Gonna go where the bright lights
and the big city meet

With a red guitar, on fire

Desire
She's the candle
burning in my room
I'm like the needle
needle and spoon
Over the counter
with a shotgun
