

## U2 - Every Breaking Wave

Tom: Eb

(forma dos acordes no tom de D )

Capostrate na 1ª casa

Intro: G Bm D A

Every breaking wave on the shore Tells the next one "there'll be one more"

Every gambler knows when to lose It's what you're really there for

Someone else fears Now I'm speaking to an answerphone

Like every fallen leaf on the breeze Winter wouldn't leave it alone, alone

If you go If you go your way and I go mine.

Are we so Are we so helpless against the time?

Baby, every doubt of history Knows that we're in love with defeat

Are we ready to be swept off our feet And start chasing every breaking wave?

( G Bm D A )

Every sailor knows that the sea Is a friend made enemy

Every shipwrecked soul knows what it is To live without intimacy

I thought I heard the captain's voice It's hard to listen while you preach

Like every broken wave on the shore This is as far as I could reach

If you go If you go your way and I go mine

Are we so Are we so helpless against the time?

Baby, every doubt of history Knows that we're in love with defeat

Are we ready to be swept off our feet And start chasing every breaking wave?

( Em G D A )

The sea knows where all the rocks Are drowning is an ocean

You know where my heart is The same place that yours has been

We know that we fear the wind And it's all we have before we begin

Before we begin

If you go If you go your way and I go mine

Are we so Are we so helpless against the time?

Baby, every doubt of history Knows that we're in love with defeat

Are we ready to be swept off our feet And start chasing every breaking wave?

( G Bm D A )
