Will do me no good

I'm going nowhere

Where I am it is a lot of fun  
They're in the desert to dismantle an atomic bomb  
I watch them channel hop  
Check the stocks  
I'm in detox  
I want the lot of what you've got  
If what you've got can make this stop

All I want is a picture of you  
All I want is to be right next to you  
All I want is your picture in a locket  
Your face in my pocket  
Take a pill to stop it

I know these fast cars  
Will do me no good

C G  
Don't you worry about your mind  
(Don't you worry about your mind)

That the pain it goes away

You know I miss mine sometimes

SOLO: C G D A C A

There is no fiction  
That will truly fit the situation  
I'm documenting every detail  
Every conversation  
I'm not used to talking to somebody in their body  
Look, there's somebody in a body, somebody in a body
