

## U2 - Kite

Tom: E

E A2 E  
Something is about to give  
A2 E  
I can feel it coming  
A2 E  
I think I know what it means  
A2 E  
I'm not afraid to die  
A2 E  
I'm not afraid to live  
A2 E  
And when I'm flat on my back  
A2 E A2  
I hope to feel like I did

A  
'Cause hardness, it sets in  
Dbm  
You need some protection  
A  
The thinner the skin  
E A  
I want you to know  
Dbm A E  
That you don't need me anymore  
A  
I want you to know  
Dbm A  
You don't need anyone, anything at all

E  
Who's to say where the wind will take you  
B  
Who's to know what it is will break you  
A  
I don't know which way the wind will blow  
E  
Who's to know when the time has come around  
B A  
Don't wanna see you cry  
E  
I know that this is not goodbye  
( A2 E A2 E A2 E A2 )

E A2  
In summer I can taste the salt in the sea  
E A2

There's a kite blowing out of control on a breeze  
E A2  
I wonder what's gonna happen to you  
E A2  
You wonder what has happened to me

( A Dbm A )

E B  
I'm a man  
A  
I'm not a child  
E B  
A man who sees  
A  
The shadow behind your eyes

E  
Who's to say where the wind will take you  
B  
Who's to know what it is will break you  
A  
I don't know where the wind will blow  
E  
Who's to know when the time has come around  
B A  
(I) don't want to see you cry  
E  
I know that this is not goodbye  
( A2 E A2 )

E  
Did I waste it?  
A2 E  
Not so much I couldn't taste it  
A2 E  
Life should be fragrant  
A2 E  
Rooftop to the basement  
A2 E  
The last of the rock stars  
A2 E  
When hip-hop drove the big cars  
A2 E  
In the time when new media  
A2 E  
Was the big idea  
A2 E  
That was the big idea  
( A2 E A2 E )
