

Tom: E

U2 - Kite (Live)

```
Solo: (A Dbm )Slide solo
                                     Afinação: Eb Ab Db Gb Bb
Eb Intro: E A (repeat)
                                                                 I'm a man..., I'm not a child
lead gtr (w. slide):
                                                                 A man...who sees...the shadow behind your eyes
-14--
                                                                 CHORUS:
-14--
                                                                 Who's to say where the wind will take you
-----
                                                                 Who's to say what it is will break you
VFRSF:
                                                                 I don't know which way the wind will blow
EAEA
Something is about to give
                                                                 Who's to know when the time has come around
EAEA
I can feel it coming I think I know what it is
                                                                 Don't want to see you cry
I'm not afraid to die I'm not afraid to live
EAEA
                                                                 I know that this is not goodbye
And when I'm flat on my back I hope to feel like I did
(enter 2 slide guitar tracks):
                                                                 (EA)
                                                                 {\sf Goodbye} \ldots {\sf goodbye} \ldots {\sf goodbye} \ldots {\sf goodbye}
(repeat)
                                                                 (EA)
                                                                 Did I waste it?
And hardness It sets in
                                                                 Not so much I couldn't taste it
Dbm A
                                                                 Life should be fragrant
You need some protection the thinner the skin
                                                                 Roof top to the basement
                                                                 The last of the rock stars
I want you to know that you don't need me anymore
                                                                 When hip hop drove the big cars
                                                                 In the time when new media
E A Dbm
I want you to know You don't need anyone
                                                                 Was the big idea
                                                                 That was the big idea
                                                                 Comunication, comunication
Or anything at all
CHORUS:
                                                                 Termina com F
Who's to say where the wind will take you
                                                                 Obs:Depois que termina o Bono canta sozinho com o violão
Who's to say what it is will break you
                                                                 (E A )
                                                                 Did I waste it?
I don't know which way the wind will blow
                                                                 Not so much I couldn't taste it
Who's to know when the time has come around
                                                                 Life should be fragrant
                                                                 Roof top to the basement
                                                                 The last of the rock stars
Don't want to see you cry
                                                                 When hip hop drove the big cars
I know that this is not goodbye
                                                                 In the time when new media
                                                                 Was the big idea
(E A )4xs
                                                                 That was the big idea
                                                                 Lead guitar chords on above chorus:
(EA)
In summer I can taste the salt in the sea
There's a kite blowing out of control on a breeze
                                                                 slide solo in second verse:
I wonder what's gonna happen to you
```

You wonder what has happened to me
