

## U2 - Mercy

Tom: **D**  
Intro: **D Bm**

(**D Bm**)  
I was drinking some wine... and it turned to blood  
What's the use of religion... if you're any good  
I know i'm weedkiller honey... and you're sugar  
If you're the prosecution... i get away with murder  
If you were ice... i'm water  
And with your telescope... i can see further  
We're binary code... a one and a zero

**D** **G**  
You wanted violins... and you got nero  
**D** **Bm**  
You're gravity... searching for the ground  
**D** **G**  
You're silence... searching for a sound  
**D** **Bm**  
Your heart is aching... your heart is my home  
**D** **Bm**  
It's fascinating... i know i'll never be alone

**E**  
I'm rippin' the stitches  
**G**  
You got two hands to rub  
**E**  
I'm in the ditches  
**G**  
Of someone else's love

**D**  
Love is when i lie  
**A**  
Love puts the blue back in my eye  
**G**  
Love will come again  
**E** **D**  
I'll be gone again... again

(**D Bm**)  
If you're hunger... baby let me feed it  
If your heart is full... baby let me bleed it  
And happiness is for... those who don't really need it  
You love me... too much  
You always loved me... too much

**E**  
When i was rippin' the stitches  
**G**  
You got two fists to rub  
**E**  
I'm in the ditches  
**G**

Love brings with it a clarity  
Love has come again  
I'm alive again

(**D Bm**)

I am alive, baby i'm born again and again  
And again, and again and again and again
