

U2 - Miracle Drug

Tom: D

D A Bm
I want to trip inside your head
G
Spend the day there?
D A Bm
To hear the things you haven't said
G
And see what you might see
D A Bm
I want to hear you when you call
G D
Do you feel anything at all?
A Bm
I want to see your thoughts take shape
G
And walk right out
G A
Freedom has a scent
D Em
Like the top of a new born baby's head
G A
The songs are in your eyes
D Em
I see them when you smile
G A
I've had enough I'm not giving up
Bm G
On a miracle drug

D A Bm
Of science and the human heart
G
There is no limit
D A Bm
There is no failure here sweetheart
G
Just when you quit?
D A Bm
I am you and you are mine
G
Love makes nonsense of space
G A
And time? will disappear
D Em

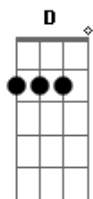

Love and logic keep us clear
G A D Em
Reason is on our side, love?
G A
The songs are in your eyes
D Em
I see them when you smile
G A D
I've had enough of romantic love
Em
I'd give it up, yeah, I'd give it up
G A Bm
For a miracle, a miracle drug, a miracle drug

Solo:

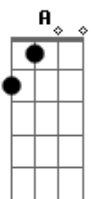

God I need your help tonight

G
Beneath the noise
A
Below the din
D
I hear a voice
Em
It's whispering
G A
In science and in medicine
D
"I was a stranger
Em
You took me in"
G A
The songs are in your eyes
D Em
I see them when you smile
G A
I've had enough of romantic love
D Em
I'd give it up, yeah, I'd give it up
G A D Em
For a miracle, miracle drug
G A D Em Bm
Miracle, miracle drug
