

U2 - Running to Stand Still

Tom: **D**

D And so she woke up, woke up from where she was lying still, **G**
said I

D got to do something about where we're going. **G**

D Step on a steam train, **G** step out of the driving rain, maybe

D run from the darkness in the night, singing

A ah, ah la la la de day **C** **G**

A ah la la la de day, ah la la de day **D** **G**

Sweet the sin, but bitter the taste in my mouth.
I see seven towers, but I only see one way out.
You got to cry without weeping, talk without speaking,
scream without raising your voice, you know I took the poison,
from the poison stream, then I floated out of here, singing

ah, ah la la la de day
ah la la la de day, ah la la de day

G **D** **G**
oooh, oooh, oooh

D She runs through the street with her eyes painted red

G under black belly of cloud in the rain

D in through the doorway she brings me

G white gold and pearls, stolen from the sea, she is raging **D**

she is raging, and the **G** storm blows up in her eyes, she will

A suffer the needle chill **C** **G**

A she's running to stand **C** **G** **D** **G** **D** still
