

## U2 - Running to Stand Still

Tom: **D**

**D** And so she woke up, woke up from where she was lying still, **G**  
said I

**D** got to do something about where we're going. **G**

**D** Step on a steam train, **G** step out of the driving rain, maybe

**D** run from the darkness in the night, singing

**A** ah, ah la la la de day **C** **G**

**A** ah la la la de day, ah la la de day **D** **G**

Sweet the sin, but bitter the taste in my mouth.  
I see seven towers, but I only see one way out.  
You got to cry without weeping, talk without speaking,  
scream without raising your voice, you know I took the poison,  
from the poison stream, then I floated out of here, singing

ah, ah la la la de day  
ah la la la de day, ah la la de day

**G** **D** **G**  
oooh, oooh, oooh

**D** She runs through the street with her eyes painted red

**G** under black belly of cloud in the rain

**D** in through the doorway she brings me

**G** white gold and pearls, stolen from the sea, she is raging **D**

she is raging, and the **G** storm blows up in her eyes, she will

**A** suffer the needle chill **C** **G**

**A** she's running to stand **C** **G** **D** **G** **D** still
