

U2 - Song For Someone

```
Intro: E Gb Abm
You've got a face not spoiled by beauty
                          Abm
I have some scars from where I've been
You've got eyes that can see right through me
                        Ahm
You're not afraid of anything they've seen
I was told that I would feel
   Gb
            Abm
Nothing the first time
        Е
I don't know how these cuts heal
      Gb
But in you, I've found a right
If there is a light
You can always see
And there is a world
We can always be
If there is a dark
Within and without
And there is a light
Don't let it go out
            F
And this is a song
 Gb Abm
A song for someone
     E B
This is a song

E B Gb Abm

And I'm a long way
From your hill on Calvary

And I'm a long way
From where I was, where I need to be
If there is a light you can always see

And there is a world we can always be
If there is a kiss I stole from your mouth

And there is a light, don't let it go out
