U2 - Stand Up Comedy

```
Tom: D

   Gb
Love love love love love?
Love love love love love?

I got to stand up and take a step
You and I have been asleep for hours
           D
I got to stand up
     A                E                 B
The wire is stretched in between our two towers
Gb
Stand up in this dizzy world
Where a lovesick eye can steal the view
           D    A                E    B
I'm gonna fall down if I can't stand up
          Gb
For your love
Love love love love love?

  Gb
Stand up, this is comedy
The DNA lottery may have left you smart
              D          A       E       B
But can you stand up to beauty, dictator of the heart
        Gb
I can stand up for hope, faith, love
But while I'm getting over certainty
  D           A              C           E
Stop helping God across the road like a little old lady

A  B  Dbm   A  B  Dbm
Uuuuhhhh...Uuuuhhhh...

A               B   Dbm
Out from under your beds
   B
C'mon ye people
  G       A        Gb
Stand up for your love
Love love love love love?

          Gb
I gotta stand up to ego but my ego's not really the enemy
                D                    A
It's like a small child crossing an eight lane highway
E                  B
On a voyage of discovery
  Gb
Stand up to rock stars, Napolean is in high heels
 D             A           C             E
Josephine, be careful of small men with big ideas

A  B  Dbm   A  B  Dbm
Uuuuhhhh...Uuuuhhhh...

A               B   Dbm
Out from under your beds
   B
C'mon ye people
  G       A        Gb
Stand up for your love
Love love love love love?

SOLO: (B G A )2x
       B A E G

God is love
And love is evolution's very best day

 A            B     Dbm
Soul rockin' people moving on
 A            B     Dbm
Soul rockin' people on and on
   B
C'mon ye people
       G   A
We're made of stars
   B
C'mon ye people
  G            A                 Gb
Stand up then sit down for your love
Love love love love love?
Love love love love love?
Love love love love love?
```
