Red lights, grey morning
You stumble out of a hole in the ground
A vampire or a victim
It depends on who's around

You used to stay in to watch the adverts
You could lip synch to the talk shows

(Edge plays arpeggiated chords)

Gbm Dbm
And if you look, you look through me

A
And when you talk it's not to me

B
And when I touch you, you don't feel a thing

Gbm E
If I could stay... then the night would give you up

Gbm E
Stay, and the day would keep its trust

Gbm A E
Stay, and the night would be enough

(Edge plays main riff)

Faraway, so close
Up with the static and the radio
With satellite television
You can go anywhere
Miami, New Orleans, London, Belfast and Berlin

(Edge plays arpeggiated chords)

And if you listen I can't call
And if you jump, you just might fall
And if you shout I'll only hear you

Gbm E
If I could stay... then the night would give you up

Gbm E
Stay, and the day would keep its trust

Gbm Dbm
Stay with the demons you drowned

A B
Stay with the spirit I found

Gbm A E
Stay and the night would be enough

(Bono stops, Edge plays main riff)

Three o'clock in the morning
It's quiet and there's no one around
Just the bang and the clatter
As an angel runs to ground
Just the bang and the clatter
As an angel hits the ground

Falow...
