

## U2 - Stuck in a Moment You Can't Get Out Of

Tom: E

(com acordes na forma de Capostrate na 2ª casa D )  
Intro: D D G D A Bm G D

I'm not afraid of anything in this world  
There's nothing you can throw at me that I haven't  
already heard  
I'm just trying to find a decent melody  
A song that I can sing in my own company  
I never thought you were a fool  
But darling, look at you  
You gotta stand up straight, carry your own weight  
These tears are going nowhere, baby  
You've got to get yourself together  
You've got stuck in a moment and now you can't get out of it  
Don't say that later will be better now you're  
stuck in a moment and you can't get out of it  
I will not forsake, the colours that you bring  
But the nights you filled with fireworks  
They left you with nothing  
I am still enchanted by the light you brought to me  
I still listen through your ears, and through your eyes  
I can see  
And you are such a fool

To worry like you do  
I know it's tough, and you can never get enough  
Of what you don't really need now... my oh my  
You've got to get yourself together  
You've got stuck in a moment and now you can't get out of it  
Oh love look at you now  
You've got yourself stuck in a moment and now you  
can't get out of it  
I was unconscious, half asleep  
The water is warm till you discover how deep...  
I wasn't jumping... for me it was a fall  
It's a long way down to nothing at all  
You've got to get yourself together  
You've got stuck in a moment and now you can't get out of it  
Don't say that later will be better now you're  
stuck in a moment and you can't get out of it  
And if the night runs over  
And if the day won't last  
And if our way should falter  
Along the stony pass (2x)  
It's just a moment  
This time will pass
