tom:  
Intro: D G D  
A Bm G D

D G D  
I'm not afraid of anything in this world  
A Bm G  
There's nothing you can throw at me that I haven't already heard  
D G D  
I'm just trying to find a decent melody  
A Bm G D  
A song that I can sing in my own company  
Bm G  
I never thought you were a fool  
Em G  
But darling, look at you  
Bm G Bm  
You gotta stand up straight, carry your own weight  
A G A  
These tears are going nowhere, baby

D G D  
You've got to get yourself together  
A Bm G D  
You've got stuck in a moment and now you can't get out of it  
D G D A Bm  
Don't say that later will be better now you're stuck in a moment  
G D  
And you can't get out of it

D G D  
I will not forsake, the colours that you bring  
A Bm  
But the nights you filled with fireworks  
G D  
They left you with nothing  
D G D  
I am still enchanted by the light you brought to me  
A Bm G

I still listen through your ears, and through your eyes I can see

Bm G  
And you are such a fool  
Em A  
To worry like you do  
Bm G Bm  
I know it's tough, and you can never get enough  
A  
Of what you don't really need now... my oh my

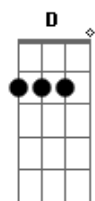

D G D  
You've got to get yourself together  
A Bm G D  
You've got stuck in a moment and now you can't get out of it  
D G D A Bm  
Don't say that later will be better now you're stuck in a moment  
G D  
And you can't get out of it

Em  
I was unconscious, half asleep  
G D  
The water is warm till you discover how deep  
Em  
I wasn't jumping... for me it was a fall  
G A  
It's a long way down to nothing at all

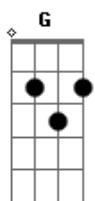

D G D  
And if the night runs over  
A Bm G D  
And if the day won't last  
D G D  
And if our way should falter  
A Bm G D  
Along the stony pass

It's just a moment  
D  
This time will pass
