When you stop seeing beauty

You start growing old

The lines on your face

Are a map to your soul

When you stop taking chances

You'll stay where you sit

You won't live any longer

But it'll feel like it

Ah Ah

E D D

I lost myself in the summer rain

I lost myself

I lost myself in the summer rain

I lost myself in the summer rain

Ooooooh ooh Aaaaaah

In the summer rain

Mhm Mhhhhhhm Mhhhm

Tequila and Orange

Jamaica and rum

At the Morella

Honey on my tongue

In a small boat on a generous sea

You let me be your enemy

Tiny hand

With a grip on the world

Holding our breath now

Diving for pearls

E D D (x2)

I lost myself in the summer rain

I lost myself

I lost myself in the summer rain

I lost myself in the summer rain

Ahh Ah Ah

Ahh Ah Ah

Just as you find me

Always I will be

A little bit too free

With myself

Just as you find me

Always I will be

A little bit too free

With myself

E D D (x4)

I lost myself in the summer rain

I lost myself

Now there's no one else

In the summer rain

Raining down

Raining down

Rain

Raining now

Raining now

Raining now

Just as you find me

Always I will be

A little bit too free

With myself

Just as you find me

Always I will be

A little bit too free

With myself

E D D (x4)

It's not why you're running

It's where you're going

It's not what you're dreaming

But what you're gonna do

It's not where you're born

It's where you belong

It's not how weak

But what will make you strong

[fading out]
