

## **U2 - The Showman**

```
Intro: D A Bm A
       D A Bm A
 Baby?s crying ?cause he?s born to sing
        A Bm A
 The singers cry about everything
 A Bm A
Still in the playground, falling off the swing
           A Bm A
 But you know that I know
 A Bm A We?ll fill the room like a birthday cake, when I
        A Bm
 Oddly enough I can?t make a mistake and there?s a
Level of shallow that you just can?t fake but
 You know that I know
Oh, you don?t care
But you know I?m there
You know you look so good, a little more better
Look so good, just a little more, little more
D A Bm A
Look so good, that?s what?s gonna get ya
D A Bm
Look so good, just a little more, little more
 You know you?re chasing the sunlight
 It?s why I?m staying up all night
          D A Bm
You know you look so good, a little more better
Look so good, a little more
It is what it is but it?s not what it seems
This screwed up stuff is the stuff of dreams, I got
 Just enough low self-esteem to
 The showman gives you front row to his heart
```

## Acordes

```
The showman prays his heartache will chart
              Α
 Making a spectacle of falling apart is
 Just the start of the show
Oh, you don?t care
But you know I?m there
You know you look so good, a little more better
Look so good, just a little more, little more
D A Bm A
Look so good, that?s what?s gonna get ya
D A Bm
Look so good, just a little more, little more
  I?ve been chasing the sunlight
  That?s why I?m staying up all night, I
  Life we?re living out of toilet on but
  You make it true when you sing of love
Ah, ah, ah
Ah, ah, ah
You know you look so good, a little more better
                    Bm
Look so good, just a little more, little more
D A Bm A
Look so good, that?s what?s gonna get ya
Look so good, just a little more, little more
You know you look so good, a little more better
Look so good, just a little more, little more
Look so good, that?s what?s gonna get ya
Look so good, just a little more, little more
