Verse 2 I went drifting Through the capitals of tin Where men can't walk Or freely talk And sons turn their fathers in I stopped outside a church house Where the citizens like to sit They say they want the kingdom But they don't want God in it I went out riding Down that old eight lane etc

Verse 3 I went out searching Looking for one good man Who would sit at his father's right hand I went out walking With a bible and a gun The word of God lay heavy on my heart I was sure I was the one Jesus, I'll be home soon Yeah I went out for the papers Told her I'd be back by noon Yeah I left with nothing But the thought you'd be there too Looking for you
