I took the money, I spiked your drink
You miss too much these days if you stop to think
You led me on with those innocent eyes
You know I love the element of surprise
In the garden I was playing the tart
I kissed your lips and broke your heart
You, you were acting like it was the end of the world

In my dream I was drowning my sorrows
But my sorrows they learned to swim
Surrounding me, going down on me
Spilling over the brim
Waves of regret, waves of joy
I reached out for the one I tried to destroy
You, you said you'd wait 'til the end of the world.
