

## U2 - Walk On

```
Tom: D
                                                             Walk on
                                                             Walk on
And love it's not the easy thing
                                                             Stay safe tonight
The only baggage That you can bring
                                                             And I know it aches
Love It's not the easy thing
The only baggage you can bring
                                                             How your heart it breaks
Is all that you can't leave behind
                                                             You can only take so much
    A G
                Em7 )
( D
                                                             Bm G Em7 A
(D A G E)
                                                             Bm G Em7 A (e continua no Lá Maior)
                           G
  And if the darkness is to keep us apart
 And if the daylight feels like it's a long way off
 And if your glass heart should crack
          Em7
                                                             D A
Before the second you turn back
                                                             Home
Oh no, be strong ... ohhh
                                                             Hard to know what it is if you never had one
                                                             Home
Walk on
                                                             I can't say where it is but I know I'm going
   Α
Walk on
                                                             Home
What you got, they can't steal it
                                                             That's where the heart is
No they can't even feel it
                                                                   D
                                                             And I know it aches
Walk on
                                                             How your heart it breaks
   Α
                                                                   E
                                                             You can only take so much
Walk on
             Е
                                                            Walk on Em7 G
                                                                 Em7 G D A
 Stay safe tonight
                                                             Leave it behind..you've got to leave it behind
You're packing a suitcase for a place
       Em7
                                                                         Fm7
None of us has been
                                                             All that you fashion.. all that you make
A place that has to be believed
                                                             All that you build.. all that you break
   Em7
                                                                       Em7
  To be seen
                                                             All that you measure.. all that you feel
                                                                        D
 You could have flown away
                                                             All this you can leave behind
A singing bird
    Em7
In an open cage
                                                             (Continua na sequência Em7 G D A )
Who will only fly A E
                                                             All that you reason
All that you sense
Only fly for freedom ... Ohhh
                                                             All that you speak
                                                             All you dress up
                                                             All that you scheme...
Walk on
                                                             LEGENDA DE SINAIS
Walk on
What you got, they can't deny it, can't sell it, can't buy it b = bend
                                                             h = hammer on
