

U2 - Where the Streets Have No Name

```
Intro: D G D G Bm7 A C
       D
I want to run, I want to hide
I want to tear down the walls
That hold me inside
          Bm7
I want reach out
And touch the flame
Where the streets have no name
I want to feel, sunlight on my face
I see the dust cloud disappear
Without a trace
I want to take shelter
From the poison rain
Where the streets have no name
Where the streets have no name (2x)
We're still building then burning down love
                           Bm7
Burning down love, and when I go there
I go there with you, it's all I can do
```

The city's a flood and our love turns to rust We're beaten and blown by the wind Trampled in dust I'll show you a place High on a desert plain Where the streets have no name Where the streets have no name (2x)We're still building then burning down love Burning down love, and when I go there I go there with you, it's all I can do Our love turns to rust We're beaten and blown by the wind Blown by the wind, oh, and I see our love See our love turn to rust Oh, we're beaten and blown by the wind Blown by the wind Oh, when I go there, I go there with you It's all I can do D G D
