

U2 - Wild Honey

Tom: **G**

Verso 1:

In the **G** days when we were swinging from the trees
 I was a **C** monkey stealing honey from a **G** swarm of bees
 I could **G** taste, I could taste you even then
 And I would **C** chase you, down the **G** wind

Refrão:

Em **C** **G** **D**
 You could go there if you please, wild honey
Em **C** **G** **D** **G**
 And if you go there, go with me, wild honey

Verso 2:

Did I **G** know you, did I know you even then?
 Before the **C** clocks kept time, before the **G** world was made
 From the **G** cruel sun, you were **C** shelter
 You were my **G** shelter and my shade

Refrão:

Em **C** **G** **D**
 If you go there, go with me, wild honey,
Em **C** **G** **D**
 You can do just what you please, wild honey
Em **C** **G** **D**

Yeah, just blowing in the breeze, wild honey,
Em **C** **G** **D**
 Wild, wild, wild

Verso 3:

I'm still **G** standing, I'm still standing where you left me
 Are you still **C** growing wild, with everything **G** tame around you?
 I send you **G** flowers, cut flowers for your hall
 I know your **C** garden's full, but is there **G** sweetness at all?

Em **Am** **C** **Am** **C** **D**
 Love me so, Love me, keep me so

Refrão:

Em **C** **G** **D**
 If you go there, go with me, wild honey,
Em **C** **G** **D**
 Wont you take me, take me please, wild honey
Em **C** **G** **D**
 Yeah, swinging through the trees, wild honey,
Em **C** **G** **D** **G**
 Wild, wild, wild
