

## **U.D.O - Dancing With An Angel**

```
C G
Take my hand before I go
F G
We'll never be alone
Am G
Look at all the lucky days
F G
And places we have gone

C G
Let me say a single word
F G
A million other ways
Am G
But all I wanna see is now
F G
A smile upon your face

C Am G
Like I'm dancing - dancing with an angel
F G
Like I'm dancing - never danced before
C Am G
Like I'm dancing - dancing with an angel
Am G
Like I'm dancing - dancing with an angel
Am G
Like I'm dancing - dancing with an angel
Am G
Like I'm dancing - dancing with an angel
Am G
Like I'm dancing - a dream I'm dancing on
```

## **Acordes**
