Tom: D

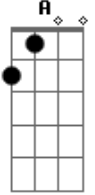

(Sonny Curtis/Roger) **D A D D7 G D A7** DI want you
 to tell me why youWalked out on meI'm so lomesome everydayI
 want you to know that since youWalked out on me Nothing seems
 to be the same old wayThink about the love that burns withinMy

heart for youThe good times we've hadBefore you went away on
 meWalk right backTo me this minuteBring your love to meDon't
 send itI'm so lomesome everydayVocê não disse nada quando me
 deixouDesde então estou tão sozinhoVocê não sabe que depois
 que você foiNada mais tem aquele gostinhoPense no amor que eu
 tenho no meu coraçãoE no tempo bom quando era só você e
 euVolta já, ainda te esperoNão demore, ainda te queroEu me
 sinto tão sozinho
