Ooh-ooh, ooh  
 Ooh-ooh, ooh, ooh  
 Ooh-ooh, ooh  
 Ooh, ooh, ooh, ooh

 Pretty girl, pity hurts  
 Know you walk across a?fine?line and  
 Your pretty?curls hide your pretty pearls  
 No, no,?I'm thinking like

F7M C7M  
 Why I'm so afraid to fight back?  
 I got?a?lot?of shit to?unpack  
 I never write?back  
 I think it's my bad  
 I shouldn't take it in  
 I try to go within myself

C7 F7M  
 Wish the thoughts would go away  
 (My God, my mind be)  
 Floatin' farther away (I go so far, see?)  
 All the truth I couldn't face  
 (I thought I knew it)  
 Told myself I couldn't face (I)  
 I wouldn't face you

F7M C7M  
 It's all in my mind, it's only emotion  
 Just look for a sign and swim into the ocean  
 See what you find, could never define  
 Allow the divine (Allow the divine)

Dm  
 To alter your courses, yeah, ayy
