

Uncle Lucius - Keep The Wolves Away

tom: **Bm** **Am**
 Took my first breath where the muddy Brazos
C
 Spills into the gulf of Mexico
G
 Where the skyline is covered by chemical plants
F
 That put bread on the table of a workin man
Am
 Well the workin man does his best to provide
C
 Safety and shelter for kids and a wife
G
 Given a little of his soul everyday
F
 Makin overtime to keep the wolves away

| Strum once and let ring
 | After "away" he plays

[Instrumental Chorus] (with whistling on 2nd round)
Am C G F x2

[Verse 2] **Am**
 Well I was barely thirteen when the company man
C
 Tried to dig my daddy's grave
G
 It happened on a French owned tanker ship

F
 Spillin' poison into Galveston Bay
Am
 Where the liquid fire filled his lungs and his eyes
C
 Silenced, any moans or cries
G
 Cold and the Grit, the damn stinkin pain
F
 But he fought like hell to keep the wolves away

[Solo]
Am C G F x2

[Verse 3] **Am**
 For the next few years dad was sick as a dog
C
 But he made a recovery just to spite the odds
G
 The settlement came and we moved out of town
F
 Where the sky isn't heavy with refinery clouds
Am
 Yeah he's still alive he's doing good he's in his fifties
C
 But the money's runnin out and he's pinchin for pennies
G
 So I'm going for broke with every song I play
F
 Cause now it's my turn to keep the wolves away
