

# Under The Symphony - Like The Person I Wanna Be

Tom: **A**

m

**Am**  
One day was not the same  
**Am**  
You played a different game  
**Am** **G** **F**  
Your face just changed like we'd never lost a war  
**Am**  
I played the same old song

**Am**  
Since the love began  
**Am** **G** **F**  
I made my life respecting who you are  
**Am**  
But you know me, I know that you know me  
**Am**  
I know that you love me

**G** **F**  
Like the person I wanna be  
**Am**  
'Cause you know me, I know that you know me  
**Am**  
I know that you love me  
**G** **F**  
Like the person I wanna be

**Am**  
The feelings didn't change  
**Am**  
Don't cry, it's okay

**Am** **G** **F**  
The human being born to kill his own pain  
**Am**  
So many things are wrong  
**Am**  
This game is like a song  
**Am** **G** **F**  
Your heart is full with things that I never said  
**Am**  
But you know me, I know that you know me  
**Am**  
I know that you love me

**G** **F**  
Like the person I wanna be  
**Am**  
'Cause you know me, I know that you know me  
**Am**  
I know that you love me  
**G** **F**  
Like the person I wanna be

**Am**  
But you know me, I know that you know me  
**Am**  
I know that you love me  
**G** **F**  
Like the person I wanna be  
**Am**  
'Cause you know me, I know that you know me  
**Am**  
I know that you love me  
**F** **G**  
Like the person I wanna be
