D **G**
 I'm still looking for a place
D **G**
 To find your face
D **G** **A**
 I know that real feelings don't just go away

D **G**
 I've been looking for you
D **G**
 Since a long long time
D **G** **A**
 And you still never noticed me anyway

E **G**
 But I have to see you trying
E **G**
 With people who don't deserve you
E **G**
 And I can't understand
E **G**
 Why they let you go

D **G**
 Turn around and I'll be there
D **G**
 Looking at you and no one else
D **A** **G**
 I'm fighting for just another chance
D **G** **D** **G**
 Let me stay by your side till the stars fall down
D **A** **G**
 I need to show you how much you mean to me

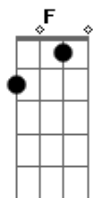

D **G**
 It should be a potion
D **G**
 To make me contain my emotions
D **G** **A**
 Or something to make me be more cold

D **G**
 But now it's too late
D **G**
 I can't change
D **A** **G**
 And all my roads lead to you

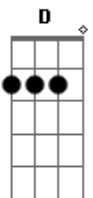

E **G**
 But I have to see you crying
E **G**
 For people who don't deserve you
E **G**
 And I can't understand
E **G**
 Why they let you go

D **G**
 Turn around and I'll be there
D **G**
 Looking at you and no one else
D **A** **G**
 I'm fighting for just another chance
D **G** **D** **G**
 Let me stay by your side till the stars fall down
D **A** **G**
 I need to show you how much you mean to me
D A **G**
 How much you mean to me
D A **G**
 How much you mean to me
 Oh, my love
 [Final] **D A G**
