

Union J - Carry You

```
You know that I know the real you
Intro: A E B Dbm Abm7
                                                                When the vision you have gets blurry
Dont ever say you're lonely
                                                                                                                           Dbm
Just lay your problems on me
                                                                You don't have to worry, I'll be your eyes
                                               Dhm
( Abm7 )
And i'll be waiting there for you
                                                                It's the least I can do, cause when I fell, you pulled me
                                                                through
The stars can be so blinding
                                                                So you know that
When you get tired of fighting
                                               Dbm
                                                                                                                      Dbm
                                                                I'll carry you, I'll carry you, I'll carry you
You know the one you can look to
                                                                So you know that
                                                                                                                      Dbm
                                                                I'll carry you, I'll carry you, I'll carry you
When the vision you have gets blurry
                                                           Dbm
( Abm7 )
You don't have to worry, I'll be your eyes
                                                                Like you've been running for hours and can't catch your breath
It's the least I can do, cause when I fell, you pulled me
                                                                The demons are screaming so loud in your head
through
                                                                You're tired you're broken you're cut and you're bruised
So you know that
                                                       Dbm
                                                                Abm7)
I'll carry you, I'll carry you, I'll carry you
                                                                But nothing's too heavy just hold on, I'll carry you, I'll
                                                                carry you
So you know that
                                                      Dbm
                                                                Instrumental
I'll carry you, I'll carry you, I'll carry you
                                                                So you know that
                                                                                                                      Dbm
                                                                I'll carry you, I'll carry you, I'll carry you
I know it's been a long night, but now im here it's alright
                                                                So you know that
  Abm7)
I've done my walking in your shoes
                                                                                                                      Dbm
                                                                I'll carry you, I'll carry you, I'll carry you
We'll take each step together, til you come back to center
                                                                So you know that
                                                                                                                      Dbm
                                                                I'll carry you, I'll carry you, I'll carry you
( Abm7 )
