

# Upper Room Music - Move Your Heart

tom:  
Capostrate na 1ª casa (forma dos acordes no tom de A )

Jesus, Jesus  
Precious Lord  
None on the earth nor  
Heaven's above  
That I have found  
More beautiful  
You are my treasure  
My great reward

I just wanna move Your heart  
It's all I wanna do  
I just wanna stand in awe  
And pour my love on You  
No matter how much the cost  
I freely give it all to You  
Oh, Jesus

Jesus, Jesus  
My offering  
All my ambitions  
My hopes, my dreams  
And here's my life, Lord  
A sacrifice  
Oh, just to bless You

I just wanna move Your heart  
It's all I wanna do  
I just wanna stand in awe  
And pour my love on You  
No matter how much the cost  
I freely give it all to You  
All to You

I just wanna move Your heart  
Get caught within Your gaze  
Right here in Your presence, God  
Is where I wanna stay  
Oh, just to dwell in Your house  
Waste my hours and my days on You

Just on You  
Is it a fragrance?  
Then I pour my oil out  
Is it a life laid down?  
Then here I give my vows  
Is it a song I sing?  
Then here's every melody  
Just tell me what moves You  
Tell me what moves You  
Is it a fragrance?  
Then I pour my oil out  
Is it a life laid down?  
Then here I give my vows  
Is it a song I sing?  
Then here's every melody  
Just tell me what moves You  
Tell me what moves You

I just wanna move Your heart  
It's all I wanna do  
I just wanna stand in awe  
And pour my love on You  
No matter how much the cost  
I freely give it all to You  
All to You

I just wanna move Your heart  
Get caught within Your gaze  
Right here in Your presence, God  
Is where I wanna stay  
Oh, just to dwell in Your house  
Waste my hours and my days on You  
Just on You

Is it a fragrance?  
Then I pour my oil out  
Is it a life laid down?  
Then here I give my vows  
Is it a song I sing?  
Then here's every melody  
Just tell me what moves You

Tell me what moves You  
 Is it a fragrance?  
 Then I pour my oil out  
 Is it a life laid down?  
 Then here I give my vows  
 Is it a song I sing?  
 Then here's every melody  
 Just tell me what moves You  
 Tell me what moves You

Cause I live to move You  
 Father, we live to move You  
 Is it a fragrance?  
 Then I pour my oil out  
 Is it a life laid down?  
 Then here I give my vows  
 Is it a song I sing?  
 Then here's every melody  
 Just tell me what moves You  
 Tell me what moves You
