

V (BTS) - Slow Dancing

```
tom:
               Bb (forma dos acordes no tom de A )
                                                               [Segunda Parte]
Capostraste na 1ª casa
Intro: Em7 A Gbm7 B7
                                                               Turnin' me up and back off like this
[Primeira Parte]
                                                              What do you want? Do you not like it?
Em7
                                                               Gbm7
It's about time we get it straight
                                                               Stop teasin' me girl
Gimme a minute if it ain't too late
                                                              Now you made me leave my heart out here
        B7
Daechung muriyeotnabwa, babe
                                                              Nal didgo ollaga dasi saero nugunga
Aemeon gibunman haechin chae
                                                               Got it on, did you?
                                                               Gbm7
                     Gbm7
Beotigiga imankeun himdeunde
                                                               Dalmatdeon uriga meon iut gateun nal
Stay with me till the end of the day
                                                               [Refrão]
[Refrão]
                                                                    Em7
                                                              Maybe we could be
     Em7
                                                                   Gbm7
Maybe we could be
                                                               Slow dancing until the morning
    Gbm7
                                                               Em7
                                                                   A Gbm7
                                                              We could be romancing
Slow dancing until the morning
