                           G
                              Gm
Es claridad en la oscuridad
      Cm
La calma en media tempestad
     Gm
Tequila y hielo en el cristal
       F
Estrellas que soñamos tocar

Gm              Cm
If I fold a map in two now
Gm                    F
Would you drop me from the sky?
                   Gm
In another time you could be my queen
Cm
Don't say you're just one dream

Gm
Dear let me take your hand
F
I wanna do it again
Gm            Cm
Una noche tan exotica
Gm               F
Now is dancing at the moonlight

            Gm
You can follow me
                    Eb6
Darling, you can find me
                    D
Darling you can follow me
            Gm
You can find me

               Gm
Darling, you can find me
                    Eb6
Darling, you can follow me
                    D
Darling, you can find me

At the moonlight dancing

Gm
Sing you at the moonlight

I'll sing you at the moonlight
              Cm
But let me give you a kiss

Let me give you a kiss
F
I wanna do it again

( Gm   Cm   Gm   Cm   F )

                        Gm
I don't believe in fantasies

Marzo no es eterno
    Cm
¿Cuándo volverá el invierno?
Gm
Tiempo tan caótico

           F
You'll kiss me or kill me

One light
Gm
My one and only hell I'm
Cm
Talking about myself, fine

Gm
```

```
But now you got me in a fever
F
Just put my face on your river
Gm
Wanna know me

Wanna show me

Cm
What it feels like

Your eyes on me
Gm
Scream my name

I feel the same
            F
And in the end

Gimme your rain
Gm            Cm
En una noche tan caótica
Gm                   F
At the moonlight is my darling

            Gm
You can follow me
                    Eb6
Darling, you can find me
                    D
Darling you can follow me
            Gm
You can find me

               Gm
Darling, you can find me
                    Eb6
Darling, you can follow me
                    D
Darling, you can find me

At the moonlight dancing
