

Valéria Dellacenta - Amor Em Ação

tom:

Intro: Bb C F Cadd9

Nem sei como posso me expressar

A você que não pôde parar no exercício de sua profissão

Em dias de tão grandes desafios

No cuidado com a saúde

No Brasil e nas nações

Em tantos lugares temos visto

Guerreiros batalhando

Cada um em sua função

E eu peço ao Pai do céu que te proteja

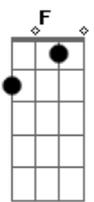

Renove suas forças

Sua mente e coração

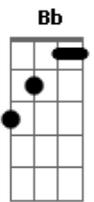

No cuidado uns com os outros percebemos

Que o amor só faz sentido derramado em ação
