

Vampire Weekend - Oxford Comma

Tom: **G**

G
Who gives a fuck about an Oxford comma?
D I've seen those English dramas too, they're cruel
G
So if there's any other way
D To spell the word it's fine with me, with me

C Why would you speak to me that way
G Especially when I always said that I
C Haven't got the words for you
G All your diction dripping with disdain
C Through the pain I always tell the truth

G
Who gives a fuck about an Oxford comma?
D I climbed to Dharamsala too, I did
G I met the highest lama
D His accent sounded fine, to me, to me

C Check your handbook, it's no trick
G Take the chapstick, put it on your lips
C Crack a smile adjust my tie
G

Know your boyfriend, unlike other guys

C Why would you lie about how much coal you have?
G Why would you lie about something dumb like that?
C Why would you lie about anything at all?
G First the window, then it's to the wall
C Lil' Jon, he always tells the truth
