

# Vampire Weekend - Sunflower (feat. Steve Lacy)

Tom: **Eb**  
Intro: **Eb Db**

**Eb Db**  
Sunflower in the morning  
**Eb Db**  
Standing in the garden  
**Eb Db**  
All before you wake  
**Eb Db**  
No power can compel you  
**Eb Db**  
Out into the daylight  
**Eb Db**  
Let that evil wait

**Ab Gb**  
Strange thought upon the pillow  
**Ab Gb**  
What day demands a date?  
**Eb**

Well I don't know

**Eb Db**  
Sunflower in the evening  
**Eb Db**  
Standing in the garden  
**Eb Db**  
Taking up that space  
**Eb Db**  
No power can compel me  
**Eb Db**  
Back into the daylight  
**Eb Db**  
Let that evil wait

**Ab Gb**  
Strange thought upon the pillow  
**Ab Gb**  
What day demands a date?  
**Eb**  
Well I don't know
