

Van Der Graaf Generator - Man-erg

Tom: F
Intro: F C Dm C
F C Dm C
The killer lives inside me: yes, I can feel him move.
F C Dm C
Sometimes he's lightly sleeping in the quiet of his room,
G Em F G F Em Dm
but then his eyes will rise and stare through mine;
Em F G F Em C G
he'll speak my words and slice my mind inside.
F C Dm C
Yes the killer lives
Angels live inside me: I can feel them smile...
Their presence strokes and soothes the tempest in my mind
and their love can heal the wounds that I have wrought.
They watch me as I go to fall
-well, I know I shall be caught,
while the angels live.

This middle part is weird. The bass line goes

Bb C A C Ab C C C C C

C Gb G B
How can I be free?
How can I get help?

Am I really me?
Am I someone else?

The same, but rallentando, and then:

F F Dm Dm
F F F F Dm Dm Dm Dm
But stalking in my cloisters hang the acolytes of gloom
F F F F Dm Dm Dm Dm
and Death's Head throws his cloak into the corner of my room
Bb Bb Bbb F
and I am doomed...
But laughing in my courtyard play the pranksters of my youth
and solemn, waiting Old Man in the gables of the roof:
he tells me truth...
I was too lazy to transcribe the middle instrumental bridge
(some work for you)
And I too, live inside me and very often don't know who I am:
I know I'm not a hero, well, I hope that I'm not damned.
I'm just a man, and killers, angels, all are these:
Dictators, saviours, refugees in war and peace as long as Man lives...
I'm just a man, and killers, angels, all are these:
Dictators, saviours, refugees...
