Verso 1

there's a time and place for everything, for everyone  
 we can push with all our might  
 but nothin's gonna come, oh no, nothin's gonna change  
 and if i asked you not to try  
 oh could you let it be

Pre-chorus 1:

i wanna hold you and say, we can't throw this all away  
 tell me you won't go, you won't go, do you have to hear  
 me say

Refrão:

i can't stop lovin' you, and no matter what i say or do  
 you know my heart is true, oh, i can't stop lovin' you

Fill between chorus and verse (well, sorta):

```

Verso 2:

you can change your friends, your place in life, you can  
 change your mind  
 we can change the things we say and do anytime  
 oh no, but i think you'll find

that when you look inside your heart

Pre-chorus 2:

oh baby, i'll be there, yeah  
 hold on, i'm holding on  
 baby, just come on, come on, come on, i just wanna hear  
 you say

Refrão:

i can't stop lovin' you, and no matter what i say or do  
 you know my heart is true, oh, i can't stop lovin' you

Bridge:

oh, i'm so twisted and tied, and all i remember  
 was how hard we tried, only to surrender
