Here's the basic acoustic guitar part, it varies a bit throughout.

(**D**)

D
Look at the ivy on the cold clinging wall
Look at the flowers and the green grass so tall
It's not a matter of when push comes to shove

It's just an hour on the wings of a dove
CHORUS

G D G D
It's just warm love
It's just warm love
I dig it when you're fancy dressed up in lace
I dig it when you have a smile on your face
This inspiration's got to be on the flow
This invitation's got to see it and know
It's just warm love
It's just warm love

Em7
And it's everpresent everywhere
And it's everpresent everywhere

D

That warm love

And it's everpresent everywhere
And it's everpresent everywhere
That warm love
BRIDGE

A D
To the country I'm going
A D
Lay and laugh in the sun
A Bm Gbm
You can bring your guitar along
Bm Gbm
We'll sing some songs,
A
we'll have some fun

D
The sky is crying and it's time to go home
And we shall hurry to the car from the foam
Sit by the fire and dry out our wet clothes
It's raining outside from the skies up above
Inside it's warm love
Inside it's warm love
And it's everpresent everywhere
And it's everpresent everywhere
That warm love
That warm love
etc..
