

Vance Joy - Emmylou

Tom: C

Oh, if you're losing sleep, Am G
 oh if you're losing sleep, scared of shadows Am G
 I see it's just a chair, Am G
 See the clothes hang there Am G
 Don't go losing sleep scared of shadows.
 (parada)
 Oh don't feel bad
 I never have
 Since I got you
 My Emmylou
 You wear your socks to bed Am G
 You wear your socks to bed, that's what I do Am G
 Oh come on sleepyhead, get yourself to bed, Am G
 Don't go losing all the night time
