

# Vance Joy - Snaggletooth

Tom: G

C Em  
Waiting for you baby

Through the coldest days  
Huddled in the backseat of the van

And I know a girl who  
would wait until it's dark

When she sings the heavens part  
They part

Oh, oh

D G C Em  
And i held my ground

When I heard those sounds  
Coming out

And I must have cried  
When I held those hands

So do you know what I mean  
So do you know how I feel  
So do you know what I mean

C  
Baby don't you know that  
Em  
I love your snaggeltooth

I see it poking when you laugh

And baby don't you know that  
Em  
I love those pigeon toes

I hope that you get these pigeon lungs
