

# Vance Joy - Wasted Time

Tom: **A**

(com acordes na forma de **G** )

Capostrate na 2ª casa

**G**  
Why...

**D**  
Why did you go wasting your time on me

**G** **D** **Em**  
You're so beautiful now

**G** **D** **Em**  
There's so much that's left for you now

**G**  
O, yeah, babe

**G**  
And why...

**D**  
Why did you go flashing those eyes at me

**G** **D** **Em**  
You know that I am eager to please

**G** **D** **Em**  
I've always been eager to please

**G**  
O, yeah, babe

**Em** **G**  
Well I, I've got a lot to say

**Em** **D** **C** **G**  
And I am scared, that you're gonna slip away

**Em** **G**  
And you, you've got this white-eyed gaze

**Em** **D** **C** **G**  
And a smile, that you carry through your days

**Em** **D**  
O, Why-y-y,

**C** **G**  
O, Why-y-y-y

**Em** **D**  
It's the easiest way,

**C** **G**  
To know you're a liar

**Em** **D**  
And the beauty you heard

**C** **G**  
I see you talking with her hands

**Em** **D**  
Well I don't think she knows

**C** **G**  
How she changed all my plans

**G**  
And why

**D**  
Why did you go wasting your youth on me

**G** **D** **Em**  
You're so beautiful now

**G** **D** **Em**  
There's so much that's left for you now

Oh, yeah, babe

**G**  
And why

**D**  
We look at the faces on your bedroom wall.

**G** **D** **Em**  
Well, nobody's perfect at all.

**G** **D** **Em**  
Sometimes it makes you feel small.

**G**  
Oh, yeah, babe

**Em** **G**  
Well I, I've got a lot to say

**Em** **D** **C** **G**  
And I am scared, that you're gonna slip away

**Em** **G**  
And you, you've got this white-eyed gaze

**Em** **D** **C** **G**  
And a smile, that you carry through your days

**Em** **D**  
O, Why-y-y,

**C** **G**  
O, Why-y-y-y

**Em** **D**  
It's the easiest way,

**C** **G**  
To know you're a liar

**Em** **D**  
And the beauty you heard

**C** **G**  
I see you talking with her hands

**Em** **D**  
Well I don't think she knows

**C** **G**  
How she changed all my plans

**Em** **D**  
The things that I thought would last

**C** **G**  
Well, they're fading, they're fading

**Em** **D**  
The feelings, I used to have

**C** **G**  
Well, they're changing, they're changing

**Em** **D**  
The things that I thought would last

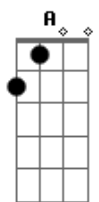

**C** **G**  
Well, they're fading, they're fading

**Em** **D**  
The feelings, I used to have

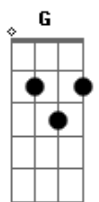

**C** **G**  
Well, they're changing, they're changing, they're changing now.

**Em** **D**  
Well, they're changing, they're changing, they're changing now.
