

# Vander Lee - A Baiana Cover

Tom: C

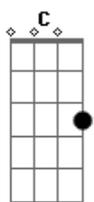

Você conhece Dorinha,  
 Cantora de samba do bar de João?  
 Pois é, andaram dizendo:  
 Ela mudou de vida, está no "bem-bom"  
 Ela de noite sonhava, embalando casais,  
 Em canções sensuais, a girar no salão  
 Quando era dia penava, como simples mortal,  
 Entre a roupa e o varal, entre o rodo e o sabão  
 Todo final de semana voltava pra casa,  
 Tomando o buzum das quatro da manhã  
 Com cinquentinha no bolso,

Uma cantada barata e o telefone de um fã  
 E as sete em ponto, já estava de pé  
 Com cafezinho pronto, acordando o mané  
 Numa ressaca danada, e a nega revoltada  
 Rezava para um dia sair daquela maré, pois é!  
 Um cara de salvador, produtor de novela  
 Foi quem disse pra ela:  
 "Larga de ser clone, cover de Alcione,  
 Que tu vai ser agora é cantora de axé"  
 A nega fez um regime, parou de fumar,  
 Mudou até de time, mandou o bofe pastar,  
 Colocou trancinha africana, com sotaque de baiana,  
 Inventou uma dancinha e virou Pop Star
