Bm E7 Am

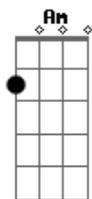

Am Dm E7 Am

Viva a felicidade, abolindo quase toda a maldade
 Como se o amor trouxesse o gozo da in_fância
 Bem que volta a inocência, bem de ter carinho e delicadeza
 Viva o que nos torna o bem maior da na____tu_reza

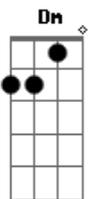

Dm E7 Am Dm G7 C7

Eu era sem primavera, dessas que o ano não principi_a
 Poesia não me dizia, ternura em mim não havia
 Faltava encanto na melodi_a
 Não parava uma saudade, velha de pouca idade
 Ia vivendo a necessida_de
 Não parava uma saudade, velha de pouca idade
 Ia vivendo a necessida_de
