

Vanguart - Beloved

Tom: **A**
Intro: &verso

Dbm E

Get on the turkish line
You've never written a diamond under my door
I'm through this door

Sometimes it closes my eyes
Sometimes it comes on time
Some lies were hidden

The sun shines in the son's heart
A Gb7 A Gb7
Then flows the hat, then grows the red carpet

I wasn't ready to be loved

by you

Almost a year ago, dreamin' alive
Pushing those pills around
I was dead, I was dead

Climbing that road

A Gb7
My grave is there
My eyes are swamp again

Wasn't ready to be loved
by you.
