Am
Today I'm feeling like a rock star

Tell me what you're doing to ease the pain enough
Em
Four shawtys on my back saying: Beat this

I believe in the strength of the lyrics

Am
I run so fast with Jesus on my back

Two-tone on my wrist, lifestyle don't make sense
Em
Yeah, I did it when you didn't believe

With shame winner?

Now tell me more about that
Am
She told me I'm the best player

Yeah, but I don't care

My niggas tell me I'm the best player

I know this

Em
You don't change it, you don't change it, yeah

But learn to live with this

Am
Yeah, yeah, yeah, now I'm back in business

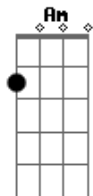

Yeah, yeah, yeah, easy money doesn't exist
Em
I feel the pain in the streets

I'm kind of a God here

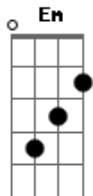

Am
Today I'm feeling like a rock star

Tell me what you're doing to ease the pain enough
Em
Four shawtys on my back saying: Beat this
