         Am
So Sad So Sad
                                                                Em
                                                                                  Dm
                                                                Even when I tee a round
                     Dm
Em
I could never make you stay
                                                                It's not that I don't try
Too Bad Too Bad
                                                                                                 Dm
              F
                     Dm
                                                                It's just that I'm better on the ground
I could never walk away
                                                                С
                                                                           Am
                                                                What if I gave
          Am
So Sad So Sad
                                                                                  Dm
                                                                Fm
                                                                my ambition for a brain?
Em
                     Dm
I rely upon the sham
                                                                G
                                                                Only a fool
G
To help me explain
                                                                                  Dm
                                                                         F
                         Dm
                                                                would approve that trade
why I will never be the same
                                                                [Chorus]
[Chorus]
                                                                Trying to be a perfect circle
Trying to be a perfect circle
                                                                Am
                                                                Weak just like I take my drinks
Am
Weak just like I take my drinks
                                                                                                  Dm
                                                                Em
                                                                A crumb upon my plate leads to a week of crying streaks
                                  Dm
Em
A crumb upon my plate leads to a week of crying streaks
                                                                          Bb
                                                                I'll never walk away
          Bb
I'll never walk away
                                                                I could never walk away, walk away
I could never walk away, walk away
                                                                              Bb
                                                                I could never walk away, walk away
              Bb
I could never walk away, walk away
                                                                I could never walk away, walk away
I could never walk away, walk away
                                                                                                Em G Em G
                                                                              G
                                                                I could never make you stay....
              G
I could never make you stay
                                                                [Outro]
[Bridge]
                                                                CE
                                                                      CF CFEm Am Dm
