 Capo I casa
When I walk beside her
I am the better man
When I look to leave her
I always stagger back again
Once I built an Ivory tower
so I could worship from above
When I climb down to be set free
        D
she took me in again
there's a big
A big hard sun
beaten on the big people
in the big hard world
When she comes to greet me
She is mercy at my feet
When I see her pin her charm
She just throws it back at me
Once I dug an early grave
To find a better land
She just smile and laughed at me
And took her bruise back again
there's a big
A big hard sun
```

beaten on the big people in the big hard world (Repeat x2) When I go across that river She is comfort by my side When I try to understand She just opens up her hands There's a big A big hard sun Beating on the big people In a big hard world Once I stood to lose her when I saw what I had done bound down and flew away the hours D of her garden and her sun so I tried to warn her I turned to see her weep 40 days and 40 nights and it's still coming down on me there's a big A big hard sun beaten on the big people in the big hard world (Repeat and Fade)

fits nicely on one page.

Tips: I hear hammer-ons with index finger on the ${\bf G}$ string Also: Cut and paste this and put in two column in Word and it
