

Velha Guarda da Portela - Desengano

tom:

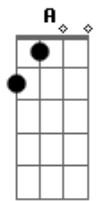

Um desengano dói
A minha alma tanto sente
Uma dor pungente
Que invadiu meu coração
Depois de ser tão benevolente

Deste-me o desprezo ao invés de gratidão

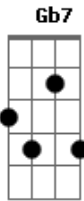

Mas nem sequer recompensaste
A regalia que gozaste em minha companhia

Sempre procurei te agradar porém em vão
Me abandonaste sem qualquer satisfação
Hoje vivo assim a lamentar a minha sorte
Algo que só esquecerei com a morte
