Velvet Revolver - Gravedancer

She dances all over me tom: С G F G She's the world at my feet F G G G She's all that I see The sun that gives heat F F G G And all that I breathe Take a rest and hold her near G F G Take a breath and hold her in Or she'll float away from here G G As her shadow's whispering Cause I'm knowing what your fearing F G G I can hear the laughter And a sentimental jury G Knowing what they're after And every mile that guides you F G While she flies right beside me I'll watch over everything On many broken wings Am Bb С Take, take a look around Bb Am С F Am She's a pretty good dancer Take, take a look around F Am Bb С She's a pretty good dancer She dances on my grave Bb C Am She dances on my grave Everytime it goes down F. Am Bb C Everytime it goes down Everytime she comes down Bb С Am Everytime she comes down Everytime we fall down Am Bb F . Everytime we fall down She dances all over me Bb
