Refrão

Take 2 to break and 3 to go  
Hold me back you spectacle  
(Mother fucker yeah)  
Kick me down with broken bones  
You picked a fight now stand your ground

**D A F C**

**D**  
You talk about it  
**A**  
Don't know what you want  
**F C**  
In the back of someone else's car

You talk about it  
Don't know what you want  
In the back of someone else's car

Outro:  
**F E F E G F C D E**

You write the list  
Well write me off  
Rocket bitch is blasting off  
(Right on target yeah)  
Boots laced up I'm here to go  
In the end I'll stand alone

**F E**  
It rains and you fall back down again  
**F E**  
It begins to rain and I'll knock you right back down again  
**C**  
You incessant bitch you lied in wait for the last time now  
**D**  
I'm standing now  
**E**  
I'm standing now

**G**  
You talk about it  
Don't know what you want  
In the back of someone else's car  
You lied about it  
Bled another heart  
Then began to fall apart  
It rains and you fall back down again  
It begins to rain and I'll knock you right back down again"  
You incessant bitch you lied in wait for the last time now  
I'm standing now  
I'm standing now
