Velvet Underground - I'm Set Free

```
Tom: A

          I've been set free and I've been bound
        To the memories of yesterday's clowns
        I've been set free and I've been bound
        and now

        I'm set free
        I'm set free
        I'm set free to find a new illusion

        I've been blinded but now I can see
        What in the world has happened to me
        The prince of stories who walks right by me
        and now

        I'm set free
        I'm set free
        I'm set free to find a new illusion

        I've been set free and I've been bound
        Let me tell you people what I've found
        I saw my head laughing, rolling on the ground
        and now

        I'm set free
        I'm set free
        I'm set free to find a new illusion
